

## 2012 AMC — Symposiums

ARINC Industry Activities is proud to invite you to the 2012 AMC-AEEC.  
Without question, this year is sure to be — *"another success story"* !

The AMC Symposiums:

**Monday**      **April 30**

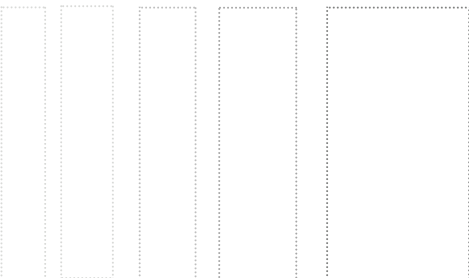

— The requirements for and the management of design  
and maintenance data relating to Intellectual Property

**Tuesday**      **May 1**

— Current solutions to go "floppyless" and introducing e-enabled aircraft

**Wednesday**      **May 2**

— RFID requirements for future and historical applications  
with status of FAA Form 8130

**2012 AMC — Plan Now!**  
**April 30—May 3, 2012**  
**Anchorage Hilton, Alaska**
